

Algonquin-Lake in the Hills Firefighters Association

Firefighter's Memorial Project Brick and Bench Order Form

The Algonquin-Lake in the Hills Firefighters Association is constructing a Firefighter Memorial to be placed in town. The main focal point of the memorial will be a 9 foot bronze firefighter statue. To help raise the \$50,000 for this project, we are selling custom engraved bricks and engraved granite benches. All proceeds from the sale will go directly to the memorial which will be dedicated September 11, 2009.

How you can help:

- Purchase a 4x8 custom engraved brick with your custom messages on it. These bricks will have up to 3 lines of text with 15 characters per line including spaces and punctuation. Examples of what can be put on a brick are names, business names, organizations, or a memorial message. These bricks will be installed in the walkway around the memorial for everyone to see. You may also order a duplicate brick to keep for yourself or to give to someone as a gift!
- Purchase a 42" grey granite bench with your name, organization, or business name engraved on it. Your bench will include 2 lines of engraving with up to 26 characters on each line. The benches will be engraved on the face of the bench for easy recognition. There are a limited number of benches available so please act quickly!

Firefighter Memorial Donation	Quantity	Cost / Each	Total Amount
Custom 4x8 Engraved Brick		\$100.00	\$
Engraved 42" Granite Bench		\$ 1500.00	\$
Duplicate Engraved 4x8 Brick		\$50.00	\$
Total Order Amount			\$

Due to our Association being a registered non-profit organization, your purchase is tax deductible
