**A RESOLUTION ADOPTING THE PREVAILING WAGE RATES FOR LABORERS,  
MECHANICS, AND OTHER WORKERS ON PUBLIC WORKS  
OF THE ALGONQUIN-LAKE IN THE HILLS FIRE PROTECTION DISTRICT,  
McHENRY AND KANE COUNTIES, ILLINOIS**

**WHEREAS**, the State of Illinois has enacted "[a]n act regulating wages of laborers, mechanics, and other workers employed in any public works by the State, county, city, or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, being 820 ILCS 130 Section 0.01 through Section 12 (the "Act"); and

**WHEREAS**, the aforesaid Act calls for the Board of Trustees of the Algonquin-Lake in the Hills Fire Protection District (the "District") to investigate and ascertain the prevailing rate of wages as defined in the Act for laborers, mechanics, and other workers in the locality of the District employed in performing construction and demolition of public works for the District; and

**WHEREAS**, if the District does not investigate and ascertain the prevailing rate of wages during the month of June, then the prevailing rate of wages for the District shall be the rate as determined by the Illinois Department of Labor under Section 9 of the Act (820 ILCS 130/9); and

**WHEREAS**, the aforesaid Act further requires that the District make and keep, for a period of not less than three (3) years, certified payroll records of all laborers, mechanics, and other workers employed on particular project.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Trustees of the Algonquin-Lake in the Hills Fire Protection District, McHenry and Kane Counties.

**Section 1:** To the extent and as required by "[a]n act regulating wages of laborers, mechanics, and other workers employed in any public works by the State, county, city, or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics, and other workers engaged in the construction of public works coming under the

jurisdiction of this District is hereby ascertained to be the same as the prevailing rate of wages for construction work in McHenry and Kane Counties, as determined by the Department of Labor of the State of Illinois pursuant to Section 9 of the Act (820 ILCS 130/9), a copy of that determination as of June 13, 2019 being attached hereto as Exhibit A and incorporated herein by reference, said rate being the most current rate published by the Illinois Department of Labor on its official website. The then-current prevailing wage of the county in which the work is performed shall be paid for those public works projects covered by the Act. If the Department of Labor revises the prevailing rate of hourly wages to be paid by the public body or other entity, the revised rate shall apply to contracts for public works, and contractor(s) and subcontractor(s) of the revised rate are hereby notified that the prevailing rate of wages are revised by the Department of Labor and are available on the Department's official website <http://www.illinois.gov/idol/Laws-Rules/CONMED/Pages/Rates.aspx> (820 ILCS 130/4(d)). The definition of any terms appearing in this Resolution which are also used in the Act shall be the same as in the Act.

**Section 2:** Nothing herein contained shall be construed to apply the general prevailing rate of wages as herein ascertained to any work or employment except to the extent required by the Act.

**Section 3:** The Secretary of the Board of Trustees shall publicly post or keep available for inspection by any interested party in the main office of this District this determination of such prevailing rate of wages.

**Section 4:** The Secretary of the Board of Trustees shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed, or file their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

**Section 5:** The Secretary of the Board of Trustees shall promptly file a certified copy of this Resolution with the Department of Labor of the State of Illinois.

**Section 6:** Within thirty (30) days after the filing of a certified copy of this Resolution with the Department of Labor of the State of Illinois, the Secretary of the Board of Trustees shall cause to be published in a newspaper of general circulation within the area a copy of the Notice of Determination substantially in the form of EXHIBIT B attached hereto and made a part hereof, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

**Section 7:** This Resolution shall be in full force and effect upon its passage and approval as required by law.
